Instructions;

First determine the ROOT aspect as *Light or Dark* . Choose the term that seems more appropriate. (keep the category in mind)

Next determine stream aspects as SUN or MOON. 2-3 light aspects = SUN, 2-3 dark aspects = MOON

Last determine Well aspects as Masculine or Feminine. 2-3 SUN aspects is masculine, 2-3 MOON aspects is feminine

Masculine/feminine does mean male/female...and your aspects can change as your life alters.

It is possible to be missing a Root. Missing 2 roots denotes a missing stream. Missing two streams denotes missing a Well. If you are missing your CORE WELL, *you are a demon*.
